

It's good to be back... at the beach. The 11th Annual Technology Summit

Hermosa Beach, CA • Thursday, October 21 – Friday, October 22

The 2021 Technology Summit, presented by p1 Technologies, is an exclusive, informative and engaging forum, and the only one of its kind. This symposium offers partners direct access to share their technology and service with C-level executives from some of the most high profile companies in Southern California. Presenting Sponsors will have the opportunity to engage directly with decision-making guests, during five, high impact networking sessions and social break-outs.
